

ALL CLEAN – FP

Multi-Purpose Organic Cleaner – Food Processing
No. 811

NSF A-8 and C-1 Certified

DESCRIPTION:

All Clean FP is a new generation organic, biodegradable, heavy-duty cleaner and degreaser designed for industrial, automotive, commercial and food service applications. It outperforms harsh soaps, detergents and hazardous chemicals, in hard or soft water. Removes grease, oil, animal fats, food residue and dirt. It will not harm fabric, plastic, painted surfaces, glass, chrome, metal, grout, manmade or natural stone surfaces. **All Clean FP is NSF A-8 and C-1 certified, and does not contain harmful chemicals that may endanger the user.** **All Clean FP** is specially formulated to clean any washable surface and is harmless to people and animals.

FEATURES:

- **Biodegradable** - Bio degrades in seven days (EPA optimum).
- **Non toxic** – Harmless to people and animals
- **Emulsifies** - Picks up grease, oils and soils and holds them in suspension so they can be easily rinsed away.
- **Multi purpose** - It is safe to use on any washable surface.
- **Reduces odors** - Couples with, suspends and carries away odor causing agents like hydrocarbons, smoke, germs and bacteria.
- **Economical** - Highly concentrated, can be diluted with water up to 1 oz. **All Clean FP** per gallon of water.
- **Saves time** - One step washing. In most applications, **All Clean FP** will air dry without leaving water spots; no need to chamois or towel dry.

TYPICAL APPLICATIONS:

All Clean FP is excellent for cold or warm water cleaning to remove soil, insects, hydrocarbon based oils and greases, animal fats and oils, food residue and stains. It can also be used in hot water washers or pressure washers to remove heavy grease, oils and road film. It will clean:

Wood	Bare metal surfaces	Glass	Vehicles	Ovens
Carpets	Industrial equipment	Polished metals	Fabrics	Fryers
Floors	Food processing equipment	Engines	Grease traps	Dishes
Tile	Food preparation areas	Concrete	Laundry	Food Stuffs

“Anything that can be washed in water can be cleaned with ALL CLEAN FP!”

DIRECTIONS FOR USE:

Place **All Clean FP** at the following ratio in warm, hot or cold water and when possible agitate.

Heavy grease, engine oils and road tar =	8 to 20 oz per gallon of water
Pressure washers =	2 to 8 oz per gallon of water
General cleaning =	1 to 6 oz per gallon of water
Floors, tile or stone =	1 to 6 oz per gallon of water
Carpet =	2 to 4 oz per gallon of water
Pans =	1 to 3 oz per gallon of water
Dishes =	½ oz per gallon of water
Laundry =	Replace laundry soap quantities

PERFORMANCE PRODUCTS GUARANTEED
